

# You and DQ®

At DQ, we are committed to creating warm memories with you and your organization. We look forward to being an active member within our communities and are excited to offer you different opportunities to partner with DQ!

## Community

It is our goal to provide ways for community partners to interact with us. We offer fundraising opportunities and a meeting place for schools, sporting teams, clubs, non-profit and faith-based organizations. We encourage you to take a look at some of our programs and contact us to find out more about how we can make DQ work for you.

## Rewards / Birthdays

Looking for a way to reward your members or employees for a job well done? We would like to help you congratulate them. If you call ahead, we will prepare everything and have it ready to pick up for your presentation. Celebrating someone's birthday? Let us provide the cake! Call ahead with your order and we will have it ready for the party.

## In-Restaurant Fundraiser

Ever wonder how to make a DQ cone with that perfect curl? Why not find out how while making money for your organization. It's as easy as picking a date, letting everyone you know about it, and showing up to enjoy great food and treats with friends and family. Then, 10% of the total sales earned during the event will be donated to your organization.

## School Partnerships

Kids and DQ just make sense together! We recognize the importance of creating a healthy and enriched atmosphere for children in our communities. Many of our best employees were once sticky-fingered, DQ loving kids. That's one big reason to give back to our favorite customers and to help them grow.

### Perfect Attendance Award

Reward your students for just showing up. This flexible program allows you to choose the terms and the reward.

### Reading Program

Motivate your students to become book worms with delicious DQ treats. This program, with proven results, is sure to be a hit with teachers, parents and even students!

### Teacher of the Year Program

Motivate students to support their favorite teachers! We'll help you create a school-wide program honoring teachers who make a big difference in the community.
